The screenshot shows the Autodesk BIM 360 Field web interface. At the top, it displays "AUTODESK® BIM 360™ FIELD" and "Dover Equine Management Organization". A user profile for "Chris Thurrott" is visible in the top right corner. The main content area is titled "Project Overview" and includes the address "204 Trapelo Road, M/S 314, Malibu, CA 90265". Below this is an "Issue summary" section with a horizontal bar chart showing issue counts: Draft 9, Open 1991, Completed 169, Ready 682, and Closed. A legend below the bar chart identifies these categories. The "Issue Tracker - Total v. Closed" section features a stacked bar chart with "Total" in orange and "Closed" in green. The Y-axis is labeled "Issues" and ranges from 0 to 4000. The X-axis shows time points: "2 weeks ago", "2 weeks ago", and "now". The "Task Categories" section at the bottom shows a horizontal bar chart with a category labeled "&lt;not set&gt;" having a value of 35 and another category having a value of 100. A "Messages" sidebar is open on the right, displaying three messages: a reminder from Chris A. Thurrott about a fifth floor turnover on Friday 11/15, and two tips from Autodesk regarding iPad sync and app updates.
